

Winter 2018

FROM OUR DIRECTOR

Here's what you've all been waiting for.....my thoughts! Of course, I know you want to hear about our program and the good news we have at this time. I couldn't agree more! If I were guessing, I'd say you'd be interested in hearing my thoughts, however, on our 'Brand New' (2 Cor. 5:17) students?!

I want to say how blessed we are to hear how our former students are doing in schools across the state of Arizona and country. Former students are winning state championships, getting a college education at Christian institutions, and making great strides in their academic maturation. Our school is producing not only scholars, but former students willing to share the gospel of Jesus Christ in their respective spheres of influence across this great nation. Could we ask for more?!

Our 'sticks team' has been traveling our great nation recently as well and been performing with excellence. While the students are still in middle school, they are not afraid to share what Christ is doing in their lives here on this campus. As I watch them perform, I become the pupil, and they the teacher. Praise God!

Is this a program you'd desire to be a part of? Is this a program you might desire to support in the variety of methods we have (most recently 'Feed the Need')? Isaiah 55:11 shares how the Word does not return void. Acts 20:35 says you are blessed when you give, yet I know we are blessed also as you pour yourselves into our school/students. That folks, is a 'Win/Win!'

This spring, our school will be hosting a very special event called **Feed the Need**. This is a school wide fundraiser that will help raise needed funds for Native American Christian Academy to replace the gym floor, support the Warrior Development Fund, and help get solar panels for our buildings- but that's not all! A portion of the funds we raise will go toward providing healthy meals for hungry children in Haiti.

The fundraiser will culminate in a one-day Packing Party event on April 27th. Our students will personally make a difference as they pack, seal and box over 10,000 meals that will be shipped and distributed to truly hungry children overseas. Local Pastors will meet the ship at the port and personally deliver the meals to hungry children and their families. This is a great opportunity for those pastors to share the Gospel!

You can support this Event by becoming a Fundraiser. Once you become a fundraiser you will receive your own personal fundraising webpage. This page will allow you to post on social media, email or text friends and family about the event.

You could win up to \$1,000 by becoming a Fundraiser.

Join us for our Kick-off Event live on Facebook March 15 at 1:00pm Arizona Time.

WARRIOR DEVELOPMENT FUND

Romans 12:1-2: "Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, *which is* your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect." NASB

Native American Christian Academy is starting a **Warrior Development Fund**. Our prayer is to develop our warriors into God's warriors. We will accomplish this by providing Spiritual, Physical, Emotional, and Mental guidance to our students.

The Warrior Development Fund will ensure that all students have nutritional meals, a safe and clean living environment, all the tools necessary to be successful in the classroom, and spiritual leadership from trained pastors.

By supporting the Feed The Need Event you will help jump start this fund.

BASKETBALL

3

The 2018 NACA Warrior Varsity Basketball team had a great season. There was only two returning players from last year's Championship team. Three sixth graders had to step-up and play both junior varsity and varsity. The varsity team finished the season 8-1 coming in second place in the Desert-Pine League Tournament.

It was also encouraging to see our third and fourth grade students get to travel to the reservation and play against reservation schools. For most of our third and fourth graders this was their first time to play organized basketball. It was exciting to watch them grow as players and as a team this season.

Many of the schools we play on the reservation are kindergarten through fourth grade elementary schools. Playing these schools allows us to promote NACA to parents and students. Some of our middle school students are from these schools.

WORK AND WITNESS

In the last year, Work & Witness teams built strong relationships with staff and students, accomplished many campus improvements, and set up new projects for 2018. March opens the new season of teams arriving to help, beginning with the Waolani Judd Nazarene School from Honolulu, HI., and we are excited for the days ahead. This year, we hope to improve old and build new courtyards, add solar to the cafeteria, get rain gutters on every building, improve landscaping, complete Phase 1 of the Justice Dorm remodel, and continue to build relationships that lead to greater spiritual growth. Thank you for your continued support through Work & Witness!
