

Fall 2019

ABUNDANT LIFE

Isn't the beginning of school great? All of the excitement of new classrooms, school supplies and new beginnings. Staff and students alike look forward to all the promises of the new year.

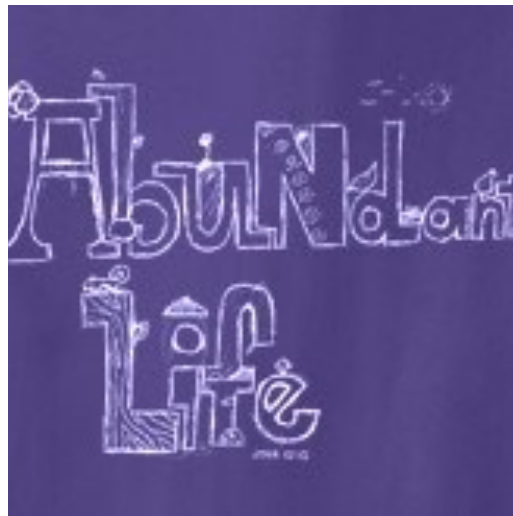

This year our theme comes from John 10:10 "I came that they may have life, and have it abundantly". We want the students to understand the promises they can claim when they abide in Christ.

It isn't just about a new school year. It's about being a new creation and living a full life with Christ Jesus.

Would you join us in prayer that all of our students would come to know that life in Christ? And please pray that it would spread out to their family and friends.

As always, we appreciate your prayers and support as you come alongside us in God's ministry here at NACA.

-Dr. Kristi O'Riley

PRAY BOLDLY!

This summer we were blessed with camp scholarships to take five campers and two adults to camp in California. Unfortunately, on the way to camp a tire shredded and took out all of the electrical on a van that was already on a salvage title from the hail storm last fall. As a result, we had to let the van go the salvage yard which means we are now short a 7- passenger van. It was this van that we used to transport students to drop off points to go home and High School students to the local community college for classes during the week. It is a loss that has affected us quite a bit.

In addition, our 15-passenger vans have over 200,000 miles on them. We realize they can't run forever.

Would you please pray with us as we praise God for His provisions? Would you be so bold as to ask for Him to provide once again to meet our transportation needs? We are looking for another 7-passenger van and possibly a mini-bus that we can use for sports teams on away games.

DID YOU KNOW?

Our staff comes from across the United States. Only two of our staff are from Arizona. Five of our staff members are former students. We have three staff families with current students. At least seven of our staff members were part of Work & Witness teams to NACA before coming on staff. Our staff does not receive any benefits or retirement and sign a statement acknowledging that there may be times when paychecks are late due to low funding.

Not only do our students count on your support but so do our staff members who live as frugally as possible to make ends meet. We welcome your prayers, encouragement and support. Thank you for helping us carry on the work of the Lord here at NACA.

Special Needs

- Gift Cards (Wal-Mart) earmarked for the classrooms to buy supplies as needed.
- If you are interested in becoming a member of the NACA school board please contact the office via email: office1@naca-az.org

Check out the Special Needs list on the website (www.naca-az.org) for a more complete list.

You are impacting students for eternity!

CROSS COUNTRY

The Native American Christian Academy cross country team competed in two different conferences for our middle school: the Desert Pines League (DPL) and the Nava-Hopi Athletic Junior High League (NHAL). In addition we also introduced High School sports for our upper grade students. As with any sports season, there were highs and lows to the cross country season at NACA. There were some very strong individual performances and improving team participation.

The NACA Junior Varsity team finished third in the Desert Pines Conference Meet. Participants were led by Kayden Isaac's 2nd place finish. NACA also competed at the middle school level in the Nava-Hopi Athletic Junior High League. Though we did not win trophies in that league, a couple of our teams finished 4th in a few meets. The girls' junior varsity team finished 4th three times including in the Final NHAJHL Meet. Top 10 finishes in the NHAJHL were garnered by Jeremiah Isaac in the varsity division and top 15 finishes by Kayden Isaac in the junior varsity division.

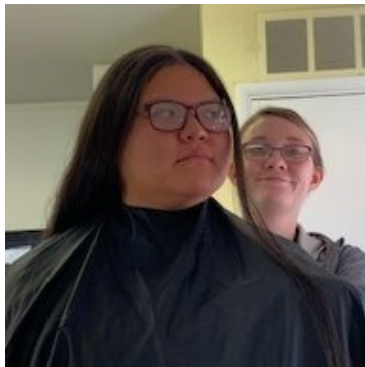

Our high school cross country team had two meets, both dual meets with Holbrook Indian School. Noah O'Riley, running strongly, won both meets. Jessica Villalba ran second overall and first among girls. Tristin Dailey rounded out the team with a 3rd and a 4th place finish for the two meets. It was the first high school competition in any sport for many years, and these few students made it a great success.

Coach Jon Burnham

WORK AND WITNESS

In 2019 NACA has been blessed to partner with over 16 Work & Witness teams from all over the country. Teams with various skills, talents, and sizes have converged in the desert of Sun Valley, AZ to meet the needs of our campus through construction, HVAC, painting, organizing, cleaning, and various other projects, teams have given of themselves to reach our students, with the hopes of the Jones Dorm being completed very soon. All of the Work and Witness teams are also given the opportunity to interact and spend time with our students, through daily activity time, reading with them, and an evening activity planned by your team. It is an amazing opportunity to partner in the mission of NACA to educate and disciple students for Christ. Don't miss out on bringing your 2020 Work and Witness team to NACA. For more information, or to register your team, feel free to visit our website www.naca-az.org or call us at 928-524-6211.

We use **CloverGive** for our online giving to make giving easier for you. **CloverGive** provides tools that give you the ability to donate on our website or with a quick text message! After creating an account, you're able to give a donation or schedule a series of donations directly from your checking account or by using your debit or credit card.

To create your online account, visit

Text "\$10" to (928)-325-2025 to donate \$10 to **Native American Christian Academy.**

SchoolMall.com is an online shopping mall where over **400 nationally known merchants** have agreed to give a percentage of sales to schools.

Companies like WalMart.com, Sears, Target, Disney Store, Family Book Store, and Oriental Trading Company participate.

Customers help NACA by making every day purchases from the nation's top online merchants...with NO COST and NO RISK for **Native American Christian Academy.**

Box tops are going digital. We are asking each church to designate someone who would be willing to collect and scan coke codes and receipts to capture funds for our school. It will save time on trimming and postage from mailing. We appre-

Coca-Cola: Buy Coke Products and Support NACA. Coke will now donate to NACA just for drinking their products and entering the product code online.

To enter the product codes go to us.coca-cola.com/give/schools/ and sign up. Once signed up type in the school's Zip Code (86029) to find our school and type in the product code.

To see how much each Coke product is worth go to us.coca-cola.com/give/code-value/

If you know a restaurant that serves bottles or cans of coke, simply ask them to save the codes for you.

Box Tops: Box tops are going digital with the use of an app. These tiny labels are worth 10 cents each and can be found on many different products such as *Kleenex*, General Mills cereals, *Hamburger Helper* and much more. You can access a complete list of eligible products at www.BoxTops4Education.com.

The app is available for most devices and can be downloaded from the iTunes App Store and Google Play. The app automatically identifies all participating Box Tops products and bonus offers. Consumers have two weeks to scan their receipts.

These funds are used for student activities and field trips throughout the school year.
