

Spring 2019

END OF THE YEAR CELEBRATION

We just ended the 2018-2019 school year with a celebration of all the accomplishments of our students. We had four students who made it onto the "A" Honor Roll. Those students kept up a 94-100% grade average for the second semester. There were 21 other students with a grade point average of 88-93% who were also honored on the "B" honor roll.

Our students led the celebration with prayers, testimonies, and in song. Our guest speaker Rev. Alex Paddock encouraged all of us to seek wisdom and the value of Christian Education. We enjoyed a performance by our sticks team, recognized our High School students who also took college classes, and awarded the Warrior Award to Cheyenna Yazzie— a 6th grade student who is maturing spiritually and in academically, and is great role model for students.

It's been scheduled! This year our Annual Virtual Race will take place on September 21st. Since this race is virtual, you can be a part of it wherever you may live. You simply send in the time it takes you to cover 5k.

In addition to the virtual runners, we will also have walkers and runners from our school and the community join us as we race to victory on September 21st.

Do you have a youth group or small group that can get together any time in September to walk, run, hike, or even roll 5k? How about your church? We would like to challenge you to have your own gathering. Just register your team on our website. We would love to see pictures from your event; especially if it has a theme like crazy hats, wild socks or whatever you dream up to support NACA. Friend us on Facebook to post pictures and for updates under our name NA Christian.

Our goal is to hit \$5,000, to help progress our dorms and student housing.

THANK YOU

God is moving among our students as well as our staff. We have staff who have been called to other ministries as well as some who are retiring. Alan and Linda Stephan have served NACA faithfully for the past 12 years in the office and maintenance. Brenda Knopp has been a teacher and leader for the last 5 years and Jonathan and Michele Mellette have been here for 4 years in both the office and the dorm.

We give God much thanks for bringing them to this ministry and the impact they have made on the lives of our students. We pray God's blessings over them for their future adventures. Please also lift our new staff in prayer as they move and begin to prepare for

DORM NEWS

"These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up." -Deuteronomy 6:6-7

The ministry of dorm parents at NACA offers a very unique opportunity to disciple children; it's a blending of parenting and pastoring that allows us to constantly speak the Word of God into the hearts of our students. Jeffrey, 7th grade, is one of those students. At the start of the year we baptized Jeffrey after a profession of faith and as the year progressed so did his participation in Sunday School and Chapel. His willingness to read scripture, lead in prayer and engage in discussion encouraged our other students to also participate.

Tristin, 9th grade, came to us halfway through the school year with a rough background of drug & alcohol use and skipping school. Shortly before coming to NACA he accepted Christ and during the second semester he has become an outstanding influence on our campus and continues to grow in his walk. Tristin has led morning devotions with our Work & Witness teams, sharing what God has done in his life, and sharing his testimony as part of our Sticks Team.

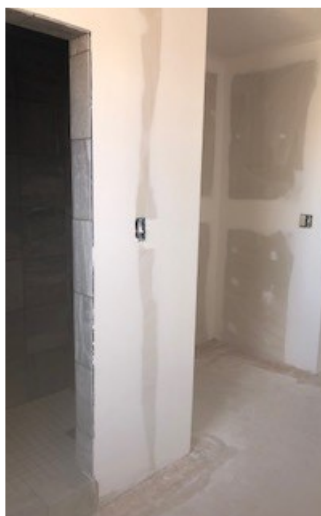

This next year as we cast a vision for the continued spiritual growth of our students there are several small-group Bible studies available from Nazarene publishing that we would love to use with our middle school and high school students. If you would be willing to partner with us to equip our students with this material please contact us today: 1-924-524-6211.

SEND HELP!

Send Help! That's the call of our staff as we continue to work hard to get Justice dorm finished before August 3rd. Our current available student housing is low. Once the dorms are finished we can move students off of our waiting list and onto campus! We are in dire need of plumbers, those who are skilled at drywall, laying floors, painting, installing bathroom fixtures, and much more.

If you would like to come and be part of this dorm prep ministry, please contact our office, or look at our website for more details at NativeAmericanChristianAcademy.org. The sooner the better!

GET INVOLVED

Would you like to impact lives through special gifts to our Horticulture club, yearbook staff, art group, a sports team, classroom or dorm? Maybe you would like to have a personal impact on our students who are dual enrolled in both High School and the local community college? NACA is working on providing more ways for you to get involved with the life of our students and staff.

You can send donations through Clover Give (see the information below) or by check and simply earmark what you would like the funds to support. As always we also need support to our general fund to help pay our ongoing expenses. In return we will send you updates on the area you are supporting. Every bit counts to the glory of God and the ministry of NACA. Thank you for your support.
